

Our Annual Racquetball Tournament finals were played on Monday, January 21, 2019. We had a nice following of spectators, including other players, friends and family.

The quality of play was excellent and each match was played with great sportsmanship.

The A ladder finals featured Marc Samet and Sachin Anchan. This was the only match of the three played to go to a tie breaker. Sachin Anchan won the match and is our A Ladder Champion for 2018.

The games scores were 15-10, 9-15, 15-13. Congratulations to both players.

The Open / A ladder finals featured Eric Briggs and Jared Doty. While both players played well, Jared just proved too tough as he covered the court well and served well. Jared Doty won the match and is our Open / A Ladder Champion for 2018.

The games scores were 15-8, 15-11. Congratulations to both players.

The Open Ladder finals featured James Krege and Rob Cook. While both players played very well, James' serve, court coverage and conditioning proved to be too tough. Again, the sportsmanship was excellent. James Krege is our Open Ladder Champion for 2018.

The game scores were 15-11, 15-8.

Thank you to all ladder participants. It is a privilege to serve as the ladder coordinator. Our next ladder session begins next Tuesday, January 29, with pairings to be emailed out on January 28.
