

CLUBFITNESS

UPDATE

Dear Valued ClubFitness Member,

We are living through an unprecedented moment in history as we struggle with the pandemic known as COVID-19. Our hearts go out to all who have already been affected by this terrible virus and those who may be affected in the future.

Due to mandatory notice issued by Governor Cooper, we will be temporarily closed effective Wednesday, March 25th at 5:00 PM. While we are disappointed, we understand the need for this action and respect the Governor's decision. Even though there are significant hurdles which I will address below, I am immensely grateful to be part of such an amazing family of members that have loyally supported our Clubs for years. We have no doubt that we will get through this pandemic successfully if we do the right thing as a community now.

As a business we are concerned about the sudden loss of revenue. Unfortunately, most of our expenses do not cease just because our doors are closed. Furthermore, our goal is to be able to re-open with the same level of service to our members as we provide today.

We are honored to serve you. In this unprecedented time, many of you have sent us well wishes and asked us to charge your membership dues despite not being able to utilize our facilities. *We are deeply touched and cannot thank you enough.* In return for your generosity we are offering those who continue with their regular membership dues ***your choice of one*** of the following options:

- 4 Semi-private Alloy Personal Training Sessions
- Book of 5 ClubFitness Guest Passes
- 25% off of any week of a Summer Camp or Holiday Week Camp
- 4 Adult Group Swim Lesson
- 4 Parisi Training Sessions

In closing, it's going to be tough not interacting with everyone face-to-face on a daily basis! However, we've loved watching how readily and enthusiastically you've adapted to our virtual offerings. If you haven't tried them, we have FB live streaming and recorded classes on our Facebook Pages: [ClubFitness Greensboro FB](#), [ClubFitness-Oak Branch FB](#) & [ClubFitness-Green Valley FB](#) and coming soon to our YouTube channel [ClubFitness Greensboro YouTube Channel](#). Our instructors are doing a great job and we will continue to build the library during the closure. As new information arises, we will email you and post on our websites and social platforms.

Once again we are thankful for your continued support of ClubFitness and we look forward to coming back stronger as a result of having gone through this *together*.

Please take care of yourself and your loved ones. We'll be thinking about you and, as always, we

are available if you have questions or concerns.

Stay Positive, Healthy and Active,

María, Josh and Gary
